Mercedes-Benz

It feels indulgent, but it's actually prudent.

A car is never a frivolous purchase, but for the current climate it's one you need to take more seriously than ever. You'll need to search again as possible, financial stability. Low CO2 emissions. And, to be honest with you, you'll want to pay a bit less too. One such is our Active Park, the one actually think of as a car.

Call Laura on 01245 399 388 to discuss your fleet requirements or find out more.

smart
open your mind.

A passion for affordable excitement.
The thrilling smart fortwo coupé passion mhd.
With a low Typical 7.7% APR.

The good news just keeps on coming with the Fortwo passion mhd hybrid drive (mhd). It begins with our start/stop technology that lowers CO2 emissions and saves fuel.

It's also equipped with a roll-over safety roll, seat and anti-lock braking system (ABS) to protect you and your passengers when the weather turns nasty or a situation gets tough. And with impressive features as standard, like the Pioneer in-dash system with colour touch screen, and new Bluetooth connectivity and Amazon's Alexa, you're always ready to stay entertained and in touch while on the move.

With breathtaking innovation, impressively low road tax of just £20 and amazing Typical 7.7% APR finance, this is urban mobility at its very best.
