“This has been a MUCH better alternative to using advertising in a local paper. The value compared to a few weeks of advertising is incredible”

Matthew Allen, Marketing Manager, Dartford Science and Technology College

“It has been great working with Positive Media, they are really informative about the best options available and always quick to get back to you. We saw an amazing response to our advertising, with over 350 visits to our open day, by far the busiest yet.”

Carrie Hall, Communications & Marketing Officer, Policy, Insight & Communications, Wealden District Council
