“This has been a MUCH better alternative to using advertising in a local paper. The value compared to a few weeks of advertising is incredible”

Matthew Allen, Marketing Manager, Dartford Science and Technology College

“It has been great working with Positive Media, they are really informative about the best options available and always quick to get back to you. We saw an amazing response to our advertising, with over 350 visits to our open day, by far the busiest yet.”

Carrie Hall, Communications & Marketing Officer, Policy, Insight & Communications, Wealden District Council

“We have been really pleased with the working relationship between Keighley Kia & Mazda and Positive Media Marketing Limited. They have been very helpful every step of the way and made the process very simple. Within the first 2-3 weeks, we have already noticed Sales and Service enquiries who have mentioned the posters at Airedale Shopping Centre, approx. 2 miles from the dealership. We are very happy with this response and long may it continue!”
