Single Visit Dentistry
WE CRAFT BEAUTIFUL SMILES – SAME DAY

Our Harley Street Digital Smile Studio has the very latest technology. In fact, our multi-award winning clinic is probably home to the most advanced, cutting edge, technology possible in the World.
This allows us to create beautiful crowns, veneers and bridges, within one single visit to the very highest of standards in a short amount of time.
One crown can in most cases be provided in under one hour.

"Using Positive Media to help with our Business Promotion as a new start up last year was definitely the right move. We placed two posters in a high foot traffic areas and we've had great feedback from them both increasing public awareness of our offering and bringing new customers. The customer service from Simon has also been excellent. I'd recommend them wholeheartedly"

Dr Adam Nulty BChD MJDF RCS Eng PGCert MSc (Dist.) Implant Dental Surgeon, Dentist On The Rock

"The ads in the toilets at Atlantic Village and Green Lanes have worked well. I have gained work from them and they have created a bit of humour with the people that have seen them"
